THE MAINE ASSOCIATION OF CHARTERBOAT CAPTAINS

Whether your interest is Fishing, Sightseeing, Family Fun or Marine Adventure, please join our Professional Charterboat Captains for an experience of a lifetime. All MACC Captains are fully licensed by the U S Coast Guard, and trained in First Aid and CPR. Let us help you discover many interesting treasures while you visit our Great State of Maine. Captains are pleased to share their local knowledge of Maine's best kept secrets (and fishing spots, too). Try your hand at world class coastal Maine Striped Bass fishing on our 3000 miles of coastline. Take a Lighthouse Tour and learn the History and see the Majesty of Maine's coastal sentinels or experience a Lobstering Demonstration. Experience the Shipbuilding heritage of Maine with visits to many historic landmarks. Your Captain and Vessel are always ready as our schedule is your schedule!
