

Mission and Purpose

The Maine Association of Charterboat Captains (MACC) is a not-for-profit, all volunteer, trade organization that is structured to meet IRS - 501(c)(6) requirements.

Our Mission:

To promote guided recreational fishing and eco-tourism through sound conservation professionalism, and stewardship.

Our Purpose:

- 1) To maintain the skills and knowledge of Maine Charter Captains so that they may provide safe, educational, and meaningful outdoor experiences for their clients in accordance with the Corporation's Code of Ethics.
- 2) To present a unified voice for members on policy, management, and environmental issues that affect Maine Charter Captains.
- 3) To conduct such other activities consistent with a Maine non-profit and business league as allowed by law.
